I must confess, I was a little nervous and unsure about having a Green Beret speak to a bunch of accountants. Mark, I must tell you...your presentation was wonderful! It turned out better than anyone expected. Even though I thought it was terrific, I had to ask others what they thought. Response was overwhelmingly positive and amazing...everyone was disappointed you couldn't speak longer than 60 minutes..we wanted to hear more! Thank you, thank you, thank you, for inspiring us all with your message. You're the best speaker we've ever had by far!

Doug Hewitt, Accounting & Finance Manager
Leavenworth & Jefferson Co. Electric Cooperative, Lawrence

I truly appreciate the wonderful message you delivered. I am a better person for hearing it and will be a more effective leader based on your concepts. The group had GREAT things to say about how much they enjoyed your talk and what a huge impact it had on them. If your goal is to touch peoples lives you certainly touched mine and many others. You were a pleasure to work with and are truly an inspiring individual. God has blessed you with a gift that you are using to the full extent.
